Re: Bliss v. Amtrak
Index No.: 07 CV 6001
Our File No.: 148-2128

Dear Judge Berman:

We represent defendant Amtrak in the above-reference matter. We respectfully request a 30 day extension of the discovery schedule and an adjournment of the upcoming conference on December 20, 2007. We spoke to plaintiff's counsel who consents to our request to adjourn this matter.

While we have been moving forward with discovery, the parties have been trying to settle this matter. We are trying to locate a witness with knowledge of the alleged incident to produce on behalf of Amtrak. We also need to designate an expert to perform an independent medical examination of plaintiff. In light of the outstanding discovery, we request that you please consider our request for an adjournment until one of the following dates that work for both sides: January 21, 2008; January 24, 2008; January 25, 2008; January 28, 2008; January 29, 2008; January 30, 2008; January 31, 2008; and February 1, 2008.

This is our first request for an adjournment in this action.

Respectfully submitted,

Amanda Kaufman
